

Artist Call Out Women's Empowered Show

Ladies, find that paint brush and create a special entry for our
September Gallery Show, Empowered.

We are seeking artwork with your vision of empowering and supporting women. Artwork is a great way to build self esteem and create happiness. Several of our local support groups use art to improve the mental health of their residents and program participants. We will be displaying several of their works but would also like to open this exhibit to all of our female artists out there. Please show us what inspires you as a woman in all your daily roles.

RULES AND DEADLINES:

Each artist may submit two pieces of art.

Include artist name, title of art and selling price on back of each piece.

Deadline for intent to submit is **August 18th**. Email cbarrett2111@gmail.com.

Intake for artwork will be **September 3rd and 4th** from 3 to 6 PM at the TwentyNorth Gallery.

The show will open on September 7th and run thru September 30th.

Artist reception will be held on Friday September 13th - 6:30 to 8:30 PM. Invite all of your friends to see this inspiring exhibit.

Hancock County Arts, 20 North State Street, Greenfield, Indiana
